Healing Beyond Borders is the professional, non-profit education, credentialing and membership organization for Healing Touch, Established in 1996.

Healing Touch Is...

Course Description

The skill of completing an intake interview that identifies patterns of behaviors for which HT techniques may be useful in assisting a patient to re-pattern their energy field is acquired. Healing Touch techniques learned in the Foundation course are integrated into applications that assist in re-patterning spinal health. The appreciation of HT progresses to a deeper level with the acquisition of a technique to assist the patient in expanding their heart energy.

Prerequisite: completion of the previous course

- Foundations of Healing Touch

Course Objectives

The learner will be able to:

1. Demonstrate the ability to remain grounded, present, and heart-centered while working in the energy field.
2. Conduct an intake interview with a place toward intervention.
3. Recognize that one's previous experiences may have an impact on one's physical, emotional, mental and spiritual health.
4. Assess the status of the chakras and biofield.
5. Document the process of re-patterning and balancing a patient's biofield.
6. Apply techniques that support the health and comfort of the back.
7. Describe how the HBB Code of Ethics, Standards of Practice and Scope of Practice relate to their developing as a Healing Touch Practitioner.

Instructor Bio and Disclosure:

Suzanne Weeks, CHTP/I, B.A. is a Certified Healing Touch Practitioner (2008) & Instructor (2011) who began her training in La Jolla at Scripps Center for Integrative Medicine. She has a Bachelor's degree from U.C. San Diego in Microbiology. She worked for fifteen years in scientific pharmaceutical research & five years as a certified person in food safety. Suzanne completed her Integrative Nutrition Certificate from U.C. San Diego in June 2018. Suzanne is focused on assisting clients with Healing Touch, lifestyle change & integrative nutrition.

Suzanne has 24 years' teaching experience. She has taught in the areas of wellness, food safety, integrative nutrition, management, marketing, scientific research & scuba diving. Suzanne's personal experience helped her to realize how important the mind-body connection is to complete wellness & her own self-care. Practicing & teaching Healing Touch while incorporating integrative nutrition allows her to share insights & experiences to help others find a balanced path to health and healing.

Mary Jane Aswegan, RN, CHTP/I; (Supervisory

Instructor) has over 30 years' experience in Critical Care Nursing and Education. For the past 12 years she has coordinated & taught Courses 1, 2 & 3 for the Scripps Hospitals in San Diego, CA. She recently retired after 34 years at Scripps, but remains active in teaching Healing Touch. Mary Jane has taught internationally in the Netherlands & Japan. She quarterly authors & publishes articles on mentoring for the *Perspectives in Healing Magazine*. She has served on the Education Committee for Healing Beyond Borders & continues to mentor students & instructors toward their certification. Mary Jane promotes

Healing Touch as a complementary modality alongside traditional medicine.
